\$ HEY KAS X YOUR AGENCY

3X CLIENTS.
SAME TEAM.

How a 5-person agency ships strategy, decks, videos and social posts for three times the clients — with Kas on the team.

\$ THE AGENCY SQUEEZE

GROWTH HITS A WALL

[ok]

CAPACITY IS HEADCOUNT

Every new retainer means another hire. Margins shrink before revenue grows.

[ok]

PRODUCTION EATS STRATEGY

Seniors resize slides and cut reels instead of thinking for clients.

[ok]

BRAND DRIFT

Ten clients, ten brand kits, a hundred chances to use the wrong blue.

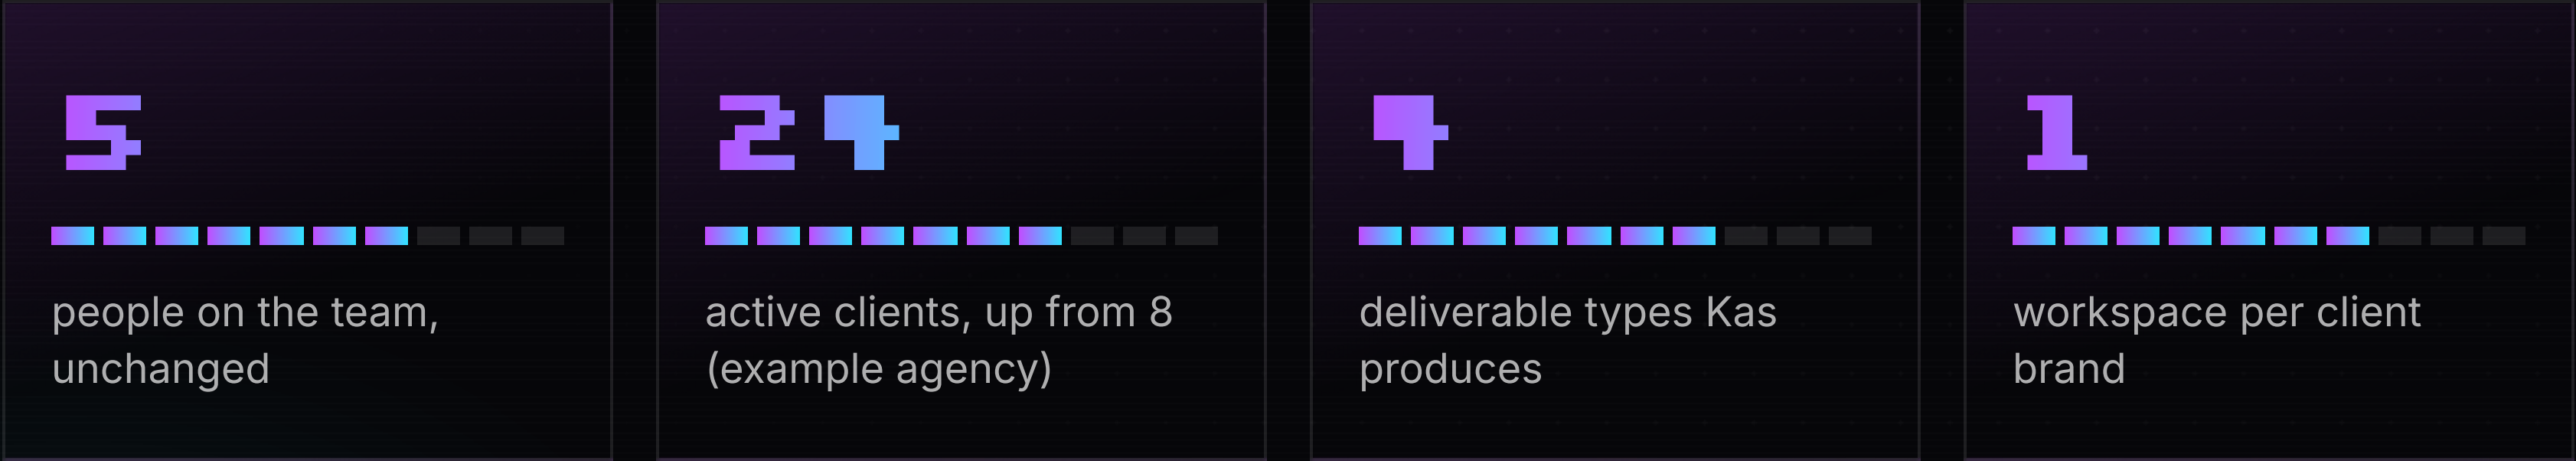

[ok]

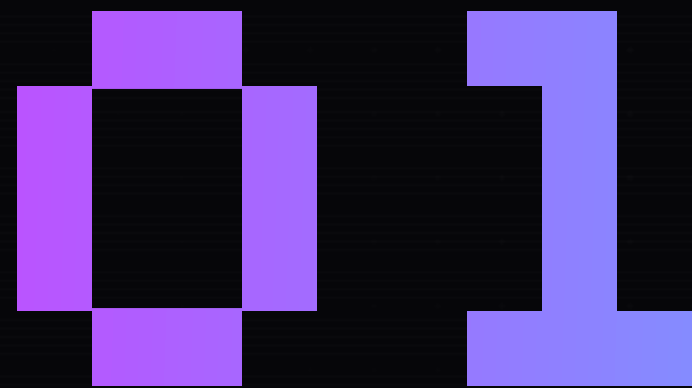

REPORTING OVERHEAD

Pulling channel data into decks every month. Nobody bills for that.

\$ ILLUSTRATIVE CAPACITY MODEL
